MEMORANDUM FOR THE DIRECTOR, INTELLIGENCE COMMUNITY STAFF

SUBJECT: TDY to Europe (U)

1. (U) Reference is made to your memorandum of 31 March 1982, subject as above.

2. (C) In accordance with your request, I have instructed my staff to provide appropriate assistance to your personnel in arranging their visits to [redacted] Europe. My point of contact for this project is Mr. [redacted] (301) 688-6627, or 3247s. 25X1

3. (S-TK) I would also like to state, candidly, that I am somewhat uneasy at what I perceive to be an increase in the number of requests for these visits in recent weeks. Considering recent White House de-emphasis on extensive travel and the unfortunate impact that has on my analysts' travel, I think we need to carefully examine the rationale for proposed overseas trips with the austerity of the times in mind. In this vein, I believe we should continue to look to TDY trips to the [redacted] rather than overseas locations when a visit to a [redacted] is considered imperative. But in general, although I strongly support the first-hand insight that comes from TDY visits, my feeling regrettably is that there ought to be fewer, rather than more, of these visits. 25X1

4. (U) I hope these comments are useful to you.
